

# RECEPTION

5-day residential training course 1 - 5 April 2019 Thessaloniki, Greece

PIC 947279206

The Training Course Objectives are to investigate and to meet the needs of our target groups for training and support in addressing the RECEPTION challenge from Kindergarten to the School System. It is considered as a need for teaching staff and associated professionals in primary schools and pre-school ECEC in order to address an -increasing Europe-wide diversity in both levels and sophistication of pre-literacy and pre-numeracy skills acquired by children before they enter the first year of Primary Education.

RECEPTION = Role of Early Childhood Education in positive Transition/Introduction Outcomes for New pupils  
<http://receptionproject.eu/>

## Target Group

Teachers, school leaders, and associated professionals working within Early Years Education and Care (EHEC)

## Training course activities

- Presentation of project partners case studies
- Plenary sessions
- Questions and answers with board members and invited guests/speakers
- Reflection groups
- Participants' presentations
- School visits and cultural events

## Background

The aim of the project is to investigate and disseminate successful attempts by our partner institutions to address the RECEPTION challenge within a wide range of demographic and socioeconomic contexts and educational systems, in response to the needs of diverse and often disadvantaged children. Preschoolers and primary school children across European are the ultimate beneficiaries of our project, but our direct target groups are their teachers, school leaders, and associated professionals working within Early Years Education and Care (EHEC).

The Reception project partners are: Ireland, Iceland, Denmark, Norway, Greece and Croatia.
